Cooks Corner - Fish Tacos

Here's a fun and easy alternative to the 'same old, same old' dinner options. These fish tacos are delicious and healthy; and the sauce is terrific. I usually make a double batch of the sauce and serve it with cooked shrimp instead of cocktail sauce. I like to serve these tacos with Spanish rice and a side of corn. Bon appetit!

MP Christakos

$\frac{3}{4}$ cup sour cream	$\frac{1}{2}$ tsp salt
1 can (4 oz) chopped green chiles	$\frac{1}{2}$ tsp each: black pepper, cayenne pepper and paprika
1 TBSP fresh chopped cilantro	4 flour (or corn) tortillas, warmed
1 TBSP lime juice	1 bag cole slaw mix (save the sauce packet for another use)
4 tilapia fillets	Pico de gallo
$\frac{1}{2}$ cup flour	Additional chopped cilantro for serving
1 large egg white, beaten (or 1 large egg)	Lime wedges for serving
$\frac{1}{2}$ cup panko breadcrumbs	
1 TBSP vegetable oil	

Place sour cream, chiles, cilantro and lime juice in a mini-chop or blender, cover and process until smooth. Set aside.

Cut each tilapia fillet in half lengthwise into 2 portions. Place flour, egg white (or egg) and panko in 3 separate bowls. Dip tilapia in the flour, shaking off excess, then dip in the egg and then in the panko. In a large skillet over medium heat, heat the oil. Cook the fish, in batches if necessary, until flaky and golden brown, about 4 to 5 minutes per side. Combine the seasonings in a small bowl and sprinkle over the cooked fish.

Place a little of the cole slaw (cabbage) mix on a warmed tortilla, top with the fish, then drizzle with the sour cream mixture and a little pico de gallo. Serve with lime wedges and extra chopped cilantro, if desired. A few rings of pickled jalapeno are also great on these tacos.

To The Editor:

I had a bad feeling when my wife on Wednesday morning told me that ICE was coming to Merrimack in the form of a detention center as she heard on WMUR.

Where does that leave people like me who never has his papers in order.

In the last Pittsfield Post I talked about the Dust and Ashes of Ash Wednesday and Lent, and how they help us prepare our hearts for Easter. But what are we really doing? When we truly observe Lent we are doing something completely countercultural; we are recognizing that we are not ok.

In our society it is easy to point out where others are to blame and what other people have done wrong. We, sometimes rather boldly, point out "others" offences towards us,

our loved ones, and even God, but then never stop to ask how "I" might have offended God.

Honestly, it should give us a chuckle to consider the bold claims that another, be it a retailer or a representative, can offend us, others, and even God, but we then turn and say 'me and Jesus, we are tight!'

I encourage you this Lent to ask, is there something you do regularly, almost by default, that is preventing you from really being close to God?

Trustee of Trust Funds 2026

Hello Pittsfield Voters,

I have been a committed member of the Pittsfield community for more than 30 years and have just completed three years of service as one of the town's Trustee of Trust Funds. During that time, I gained hands-on experience overseeing Pittsfield's trust funds, ensuring they were managed prudently and in full accordance with state law and donor intent.

As a successful business owner, I bring practical financial knowledge, disciplined decision-making, and a clear understanding of long-term investments. As a Trustee, my focus has been on transparency, responsible stewardship, and ensuring town Trust resources for future generations.

My continued desire to serve as one of the Town's Trustees is driven by a strong belief in the Pittsfield community.

Thank you for your support.

Steve Keeley

Town Moderator

To: Voters of Pittsfield

My name is Jackson Marston, and I am running for reelection to the office of Town Moderator for a two-year term. I am a lifelong citizen of Pittsfield.

I was appointed as the Assistant Moderator in September 2023, and was elected Town Moderator in 2024. During my term I have attended several moderator training sessions offered by the NH Secretary of State's office, as well as training events facilitated by the NH Municipal Association. I have also received invaluable training and guidance from our previous moderator and our town clerk.

I have been trained in the operation of the new Voting Works system that is in place for the processing and counting of ballots cast at our local, state, and federal elections. We successfully conducted our last election with this new technology, which proved to make our ballot counting and reconciling much more efficient.

Fairness and transparency while maintaining order and abiding to the law have been, and will continue to be, my primary goals in the dispatch of the duties of this office.

Thank you for your consideration and for your participation in our local government.

Sincerely,

Jackson E. Marston

Selectboard

Daniel J Greene
80 Will Smith Rd
Pittsfield, NH 03263
603-496-6629

My name is Daniel Greene, and I am running for the position of Selectman. I have served as a member to the planning board, and the budget committee for the town of Pittsfield. I have also served on volunteer fire departments in the past as well. I have been self-employed running my own business for over 25 years.

My family and I have lived on our generational family farm since 2004, after the passing of my father-in-law. Having been born and raised in New Hampshire, I have a great love and admiration for this great state. I understand the struggles of many of the citizens of not only this state, but the town itself. I have seen businesses come and go in this town over the last 30 years, and I am always looking to see what we as the citizens can do to make this town shine brighter than it has for a little time. I am open to listening to new ideas and thoughts. Having run my own businesses for several years, I understand about having to tighten the belt, and watch for wasteful spending. I do my best to look into and find answers to try and fix an issue. I am very straight forward, and I believe in black and white. I will bring a fresh pair of eyes, and I will do my best to represent the citizens of Pittsfield to the best of my ability.

I would appreciate your vote for me at the March polls. Thank you, and I will do my best if you vote for me as your next selectman.

Sincerely,

Daniel Greene

When I moved to Pittsfield to accept the very first of its kind Reading Specialist position for the district, the theme being embraced in the field at the time was the "Right to Read." This theme can be echoed today, as I firmly believe in this concept, as I announce my candidacy and seek your vote for the 3-year term for JCL Library Trustee on the March 10, 2026, ballot.

I have been honored to serve on the library trustee board for the past 2 terms. With Melissa Babcock at the helm as Library Director, the Josiah Carpenter Library has grown in leaps and bounds to serve the community with its diverse programs for children, adults, and families. The library also works with the Pittsfield School District throughout the year. I am pleased that the trustees work so well together, believing in the outreach and hard work of the director and the entire staff, and I am pleased to be a part of that team. We were especially excited to accept generous donations from our community to fund the replacement of the elevator as well as to fund other maintenance projects, such as roof replacement, so that taxpayers would not be required to shoulder the burden.

Please come out and vote. I would be honored to continue to serve as a member of the Josiah Carpenter Library Trustees.

Town Treasurer

Hello, my name is Donna Stockman and I am requesting your support AGAIN, in the upcoming election, for the position of Town of Pittsfield treasurer. I am a resident of the Town of Pittsfield and have lived here for the last 32 years. I grew up in Pittsfield, attended the schools of Pittsfield, before marrying and moving to Barnstead, where I raised three sons, Rodney, Robert and Ryan. I now have seven grandchildren and one imported exchange student from Spain.

I retired from Merrimack County Sheriff's Office seven years ago, after 25 years, as a communications specialist (police dispatcher) for 20 towns. At the same time, I was employed part-time by Chichester Police Department and the welfare department, for 19 years. I am currently employed part-time for the Town of Pittsfield Police Department where I have been employed for 14 years. Prior to my service to police work, I was a volunteer with Center Barnstead Ambulance for 11 years, became an EMT instructor, CPR instructor, and the crew chief of the ambulance squad. Then I was lucky enough to become a full-time paid fire fighter/ambulance attendant at Center Barnstead. While employed there, I attended New Hampshire Technical Institute, and achieved my Associates degree in Emergency Medicine. I owned and operated Suncook Valley Ambulance (next to Clark's Grain Store) for 4 years. My greatest interest has always been my family and giving back to the community.

The treasurer position looked like the perfect opportunity to start getting involved with the town once again. As I am getting into the golden years, I was looking for a position that I could stay active with the town, yet not have to get up in the middle of the night. I felt that this position would keep my mind active, had no responsibility of handling cash, and would be giving back to the community in a minimal way.

So, it's been six years, and I haven't received my "walking papers" yet, so I am hoping that means I am doing an ok job. My mentor, Roberta Maxfield, and back-up, go-to person, has been there through all my trials and tribulations. She has agreed to back me up for another term.

Again, I ask for your support at the voting booth, and I certainly would appreciate it.
