## Cooks Corner -- Hot Chocolate Icebox Cake

Here's a scrumptious sweet treat that is guaranteed to bring smiles and make your holidays extra festive. And it's a good thing this is easy to make, because you may need to make two! Enjoy!

1 baked pie crust (homemade or frozen)	1 TBSP sugar
¼ cup cocoa powder	1 TBSP vanilla extract
½ tsp kosher or coarse salt	1 cup marshmallow cream (such as Fluff)
3 cups heavy cream, divided	Chocolate curls & mini marshmallows for garnish
8 ounces milk chocolate, chopped	

Roll out pie crust dough, place in pie plate, and bake as usual. If using frozen, cook according to package directions.

Meanwhile, whisk together cocoa, salt and ½ cup heavy cream in a small saucepan. Cook over medium heat, whisking until smooth, about 1 to 2 minutes. Melt chocolate in the microwave, stirring every 30 seconds, until melted and smooth, about 1 minute total. Whisk the cocoa mixture into the melted chocolate until smooth.

Whisk sugar, vanilla and 1 & ½ cups heavy cream with an electric mixer at medium-high speed until soft peaks form, about 1 minute. Whisk about ¼ cup of the whipped cream into the melted chocolate mixture and stir well, then fold in the rest of the whipped cream mixture. Spoon this into the prepared pie shell. Refrigerate, uncovered, until set, minimum 2 hours. Pie can be refrigerated at this point for up to a full day.

Beat marshmallow cream and remaining 1 cup heavy cream with an electric mixer on medium-high speed until soft peaks form, 1 minute. Carefully spoon this mixture on top of the pie. Garnish pie with chocolate curls and mini marshmallows.

For chocolate curls, melt chocolate in the microwave, then pour in a thin layer onto a baking sheet lined with parchment paper. Once the chocolate has hardened, use the edge of an offset spatula to scrape off, creating curls.
