### *A Letter to the Graduates*

Dear members of the Pittsfield Middle High School Class of 2026:

The Artemis II mission took four astronauts farther from Earth than any humans had ever traveled before.

The journey demonstrated that it’s always possible to test – and surpass – the limits of human endeavors.

Graduation from high school gives you an opportunity to test your previously perceived limits and to set your sights on surpassing them to explore your own brightest future possible.

The Alumni Association has worked for many years on behalf of the students of PMHS. Congratulations from all of us, and best wishes as you take the next steps of your lives.

Sincerely,  
The Pittsfield High School Alumni Association Executive Board

**CONGRATULATIONS**  
*To the 2026 Graduating Seniors of PHMS!*

Your participation in academics as well as sports, drama, art, music, and community events has led you to this moment of reflection on the past and anticipation of the future.

As you enter this new phase of exploring college and/or career, be proud of your achievements and use them to pursue new opportunities. Hold tight to the dreams you have today, walk boldly in their direction, and stay open-minded to paths that you may not have considered before.

You have every right to be proud of your achievements, and we applaud your success.

With your hard work and the support of teachers and staff, you have earned a solid foundation to meet future challenges. We wish you the very best in all your endeavors.

Congratulations, again!

*There's so much still to come. Go out there and enjoy life, make a difference, and be who you truly are.*

# Congratulations to the Class of 2026!

You won't forget your high school days, the friends you made, the teachers who challenged you, the tests you conquered, the sports you played and the lunches you shared. But you will remember how all of that has prepared you for what comes next. Some of you may leave Pittsfield, go on to higher education or the job of a lifetime; some will remain in the town where you were raised. No matter where you go or what you do, Pittsfield will always be your home. You are part of its history, and we, the Pittsfield Historical Society, applaud you.

## PITTSFIELD GRADUATES

### PMHS, PROSPECT MOUNTAIN, AND HOME SCHOOLERS

On behalf of everyone at First Congregational Church Pittsfield we would like to offer our heartfelt CONGRATULATIONS on a job well done. We also pray for God's continued blessings as you step into your next season of life. Whether you are going into the military, the workforce, a trade school, or higher education, all of us at First Congregational Church want you to know that we are proud of you, that we know you are going to serve your community well, and that you will be a proud reflection of your hometown wherever you go.

As I write this, I am reminded of my own high school's alma mater. The end of it is as follows:

"...as forward through the years we march, our footsteps toward success, we remember Lake George High School and the friends that we possess. The love and honor in our hearts shall live forever more, and the things that we accomplish shall reflect upon her door."

I think as well of the charge given to the Old Testament Biblical hero Joshua. God commanded him, *"Be strong and courageous. Do not be frightened, and do not be dismayed, for the LORD your God is with you wherever you go."*

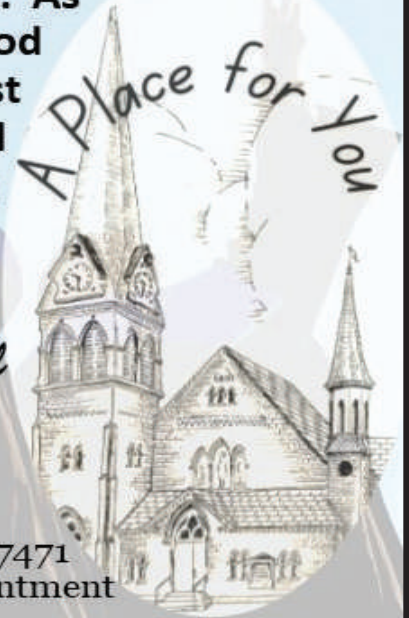

Joshua was able to do great things, not because he was great but because he had God with him. As you go forth, make certain not to leave God behind, and remember, we at First Congregational are here to encourage and support you. We are also here if you need a place to remember who God is and that Jesus has provided THE way to know God better and take Him with you.

## BUSINESS VALUES - LIFE'S VALUES

What I learned - Where I learned it

1. You have to be good for your word. – Henry Schroth
2. In order to be considered honest, you have to be honest all the time. – Doug Briggs
3. When you take an oath, you will be required to uphold it. – United States Navy
4. In order to be successful in business, you must be number 1 or number 2 in that business. – General Electric Co.
5. Do not become bored. If you are bored, you are not doing enough for other people, family or your community. – Alcoholics Anonymous
6. A man or woman who does not know his or her rights, has none. – Elmer Tasker
7. The world needs you to be good. There are many troubles in our world. However, they are not insurmountable. Take care of yourself first, and then you will be able to help take care of our world. – Mexico, Brazil, USA

What will your life's lesson and value list look like?
